RESPONSIBLE JEWELLERY COUNCIL CERTIFIES D NAVINCHANDRA GEMS PVT LTD

LONDON - The Responsible Jewellery Council (RJC) announced today that D Navinchandra Gems Pvt Ltd, the Mumbai-based diamond trader, has achieved certification by meeting the highest ethical, social and environmental standards established by the RJC's Member Certification system.

"RJC warmly congratulates D Navinchandra Gems Pvt Ltd on its certification. The successful verification assessment was conducted by Manish C. Doshi from SGS, one of the independent third-party auditing firms accredited to the RJC's Member Certification system," says Michael Rae, RJC's Chief Executive Officer.

"We at D. Navinchandra Gems are proud to be certified by the Responsible Jewellery Council. We confirm our commitment to corporate values reflecting ethical business, social and environmental standards. The RJC certification highlights our principles of integrity and transparency and our commitment to advance these values among the business community. Our employees and customers take pride in our ongoing efforts in this area and our recognition by RJC," says Ankit Mehta, Director of D. Navinchandra Gems

About RJC

The Responsible Jewellery Council is an international not-for-profit organisation bringing together more than 440 member companies. RJC and its Members are committed to promoting responsible ethical, human rights, social and environmental practices in a transparent and accountable manner throughout the jewellery industry from mine to retail. This commitment aims to reinforce consumer and stakeholder confidence in diamond, gold and platinum metals jewellery products. The RJC has developed the RJC Member Certification system which applies to all Members' businesses that contribute to the diamond, gold and platinum metals jewellery supply chain. All Certified Members of the RJC are audited by accredited, third party auditors to verify their conformance with the RJC's Code of Practices. A voluntary Chain-of-Custody Standard has also been developed for gold and platinum group metals.
